

## Papers, Books, Journals etc.

Unless otherwise indicated, these are located in the Chemistry Library collection. Please contact Patricia Meindl, Chemistry Librarian, Davenport Building 4<sup>th</sup> floor for further details or information.

Phone 416-978-3576, email [pmeindl@chem.utoronto.ca](mailto:pmeindl@chem.utoronto.ca)

---

The Chemistry and University library holdings include some very old books and journals, including the very first dedicated chemistry journals, such as the complete set of the *Journal of the Chemical Society* (of the UK) from volume 1 (1847) onwards, and *Berichte* (German Chemical Society) from volume 1 (1903) onwards.

See the University of Toronto Libraries Catalogue <http://onesearch.library.utoronto.ca/> for complete listings.
